$500 August 19-21, 1995

FOURTH BIENNIAL
RAY & ROBERT KROC-UCONN
SYMPOSIUM ON NEUROLOGY

FRONTIERS OF MYELINATING CELL BIOLOGY

Dates: August 19 (Saturday, 5 p.m.) - 21 (Monday, 1 p.m.), 1995

Purpose: To critically examine forefront issues of the biology of myelinating cells, and the application of these data to hypo- and demyelinating diseases. A highly participatory, working discussion of current basic data and models and their application to clinical intervention and alleviation is envisioned. Both platform presentations and posters are welcome.

Site: Holy Family Retreat Center, one mile from the University of Connecticut Medical School in Farmington CT, is a beautifully situated conference center with easy access by car, bus and air.

Speakers currently include: James Connor (Hershey), Marie Filbin (New York), Vittorio Gallo (Washington), Said Ghandour (Strasbourg), Michel Gravel (Montreal), Art McMorris (Philadelphia), Moses Rodriguez (Rochester), Steve Sherrer (Philadelphia), Kuni Suzuki (Chapel Hill).

Other talks and poster presentations will be drawn from your submitted abstracts. All participants are encouraged to contribute.
